MARATHON RACER

Patent Applied For

PROPELLED BY SWINGING MOVEMENT OF THE BODY LIKE GLIDING ON SKATES

If you were ever a boy or girl you know what this means. Stand up and coast down hill or ride on level surface with one foot doing the propelling—that's the way most youngsters use express wagons, the **Marathon Racer** is the development of that idea. The **Marathon Racer** takes the place of roller skates and is safer. The youngster learns to propel it by swinging the body just like gliding on skates. There is nothing cheap about the **Marathon Racer**. Every part, every joint is made as good as it can be. Strong, clear selected oak forms the platform, reach and handle; mission finish, kiln dried rock maple wheels, with tubular steel bearings. Easier running and less liable to injury than ball bearing rubber tired vehicles. Malleable iron castings, black japanned, thoroughly tested, indestructible. Brake attachment. Here is an invention that appeals to every child and not only affords hours of enjoyment but is a great benefit to their health. It gives exercise to every part of the body. Just look at them at

EAST BARRE.

Record-Breaking Attendance at Carnival of East Barre A. C.

The East Barre A. C. closed their second annual June carnival Saturday evening with an attendance of nearly 200, which was the smallest attendance of the three nights, dancing being the only attraction for entertainment. The entertainments Thursday and Friday evenings made a decided hit, especially the baseball songs by the Lawson sisters and the two songs and acting by Victor and Grace Bixby. "The Hobbler Bag," by Mary Bisson received hearty applause, as did the reading by Mr. Seager and "The Haunted Hotel" sketch by Thompson, Gauthier and Paton. Dancing was enjoyed each evening from 9 until 12 to music by Gauthier's orchestra. The attendance Friday evening was a record breaker, as was the attendance for all three nights.

The most popular baby contest was won by Alta Reek of East Barre, by a large margin. Other prizes were also distributed. Miss Cassie Fraser of Graniteville won the first prize for selling the most tickets. The committee in charge of the carnival were Fred Leonard, Jr., Frank Roark, Morris Leonard, Edward Laflay and W. D. McDonald, and they were ably assisted by the other members of the club. It was the opinion of all who attended the carnival that the boys had the best decorated hall ever attempted in this vicinity. The committee expects to clear about the same amount as last year.

Rt. Rev. J. J. Rice, of Burlington, has been invited by President and Mrs. Taft to attend their silver wedding anniversary at the White House in Washington Monday evening at nine o'clock. The event will be one of the biggest social functions the country has seen in recent years. The president has invited friends from all over the country to be present. The bishop will attend.
